"IN A BAD WAY."

Many a McConnellsburg Reader Will Feel Grateful for This Information.

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in, Perhaps your kidneys are "in a bad way."

Doan's Kidney Pills are for weak kidneys. Local evidence prove their merit. Mrs. Lucinda Clevenger, Water St., McConnellsburg, says: "I was in poor health for some time. My back ached badly and I couldn't do my housework. I had dizzy spells and chills and was annoyed by the kidney secretions. Often swelling appeared under my eyes, and I was very nervous at night. I was troubled by rheumatic twinges. I finally used Doan's Kidney Pills, procured at Trout's Drug Store, and since then I haven't been troubled by my back or kidneys."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Clevenger had. Foster-Milburn Co., Props., Buffalo, N. Y.

SALVIA

The sad intelligence reached Fernando Decker on last Saturday that his son in law, Frank Mellott near Desher, Ohio, had met with a serious accident. The team he was driving ran away, and both of his arms were broken. No other particulars were given. Fortunately for him his father Ephraim R. Mellott and Lee Decker are both assisting him on the large farm, and will carry on the work this year.

The sick noted last week, and prior thereto, are a little better, namely, Mrs. Homer L. Sipes, Mrs. Mahala Deahong; Joseph Sipes, Jefferson Wible, and Joseph M. Mellott.

Mrs. Lydia Minnick, commonly called "Auntie," suffering at times greatly with cancer on her hand, was invited by Rev. J. L. Yearick, of McConnellsburg, to take an automobile ride to Green Hill Presbyterian church and return last Thursday. It is said, the aged lady—now about 87 years—greatly enjoyed the ride, her first, and stood the trip well. The many friends and neighbors of Mrs. Clara Decker will be pleased to hear that she safely reached her son Rev. John Decker's home in Iowa and is in fair health.

Mrs. Fernando Decker started on Wednesday of last week for Ohio, to visit her two sons, Russel and Lee, and her two daughters, Lois and Ada. She reported having reached Russel's home near Republic, O., last Saturday. Uncle John Hann is taking a visit among relatives in Bedford county and elsewhere.

Orphans' Home Day.

The Lutherans annually observe a children's day known as Orphans' Home Day, and the offerings on that day to the Tressler Orphans' Home at Loysville, Pa. Last Sunday was the day set for the McConnellsburg congregation, and a finer program was never rendered. Every child seemed to have its part well committed, and all the drills passed off in perfect order. The collection for the Home was above the average amount.

Sale Register.

Thursday, September 30, J. C. Fore, intending to quit farming, will sell at his residence at Knobsville all his farming implements, live stock, household goods, and at the same time offer for sale his farm of 113 acres and improvements.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life. If your work is tiring; if your nerves are excitable; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions. It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength. Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Bowne, Brooklyn, N. Y.

That Egg Receipt.

To preserve eggs, use a pint of slacked lime, half a pint of coarse salt, mixed with three gallons of water.

Slack some lime under water and do not use until cold. Then use but a pint of the slacked lime. As published last, some may have understood that more lime was necessary, namely, all the slacked lime that a pint of stone lime would make. This would be too much.

That Citizens Meeting.

Because I was chairman of the Citizens meeting held two weeks ago when about two hundred adult people were present and because a number of us who were active in the first meeting were asked about the meeting last Friday night, a great many who are heartily in favor of the movement asked what we did, and a few who are apparently glad to see that the citizens do not get together in civic righteousness and improvement asking in the spirit of sarcasm, are the reasons for this personal answering of the question why the meeting was not held last Friday night.

First, not many people knew that there was to be a meeting last Friday night. Second, no definite program of subjects for discussion was made out and announced to the public.

It is true that our County newspapers being always loyal to such movements did their best to use the short time for announcement of the meetings but when the writer of this article was told by several people that they very seldom get time to look into their papers before Saturday then at once it was clear that they knew nothing of the meeting to be held on Friday night.

It is true that the excellent motion made by Rev. Yearick in the public meeting held two weeks ago was clear and distinct for another meeting the following Friday night but the motion was made after a motion came for adjournment and only a few of the people heard it.

The writer of this article was out of town all last week and when he was told that no special posters, dodgers and bell ringing and personal work by a number of people to get others out was done during the week it was very apparent why no meeting could be held.

Another meeting will be announced and held in the near future is the assurance given by a large number of the citizens. ROBT. E. PETERMAN.
